

Mental Health & Addiction Recovery for Veterans - Virtual IOP

Now In-Network with the VA

Built for those who have served, our Intensive Outpatient Program (IOP) provides expert mental health and substance use support with a team that understands the unique challenges veterans face—both during and after service.

Why Choose Our Virtual IOP?

- **Trauma-Informed Care** – Specialized support for **PTSD, military stress, and combat trauma.**
- **Transition Support** – Develop coping skills and **adjust to civilian life with purpose.**
- **Flexible, Confidential Care** – **VA-covered treatment from anywhere**—no commute, no waiting rooms.
- **Veteran Peer Community** – **Connect with fellow veterans** in group therapy for shared healing.
